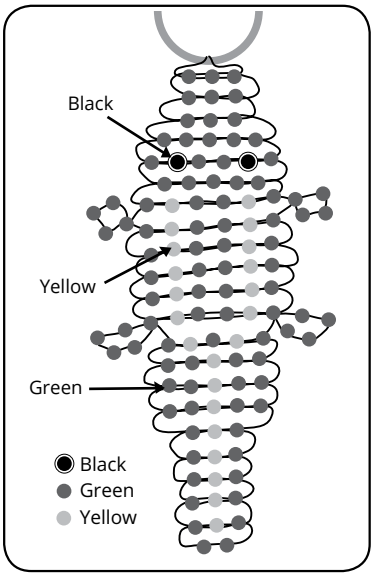
Beaded Alligator (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:
- Green, Black & Yellow Pony Beads
- Cord
- Alligator Pattern
- Key Rings

YOU WILL NEED:
- Scissors
- Tape

AGE GROUP: 8 and up
PROJECT TIME: 45 minutes



INSTRUCTIONS:

1. Lay the pieces on a clean covered work area.
2. Review the alligator pattern.
3. Fold cord in half to find middle, creating small loop. Thread the loop of the cord into the ring. Pull the ends through the loop to form a knot.
4. Starting at the top, thread the beads of one line in the pattern onto the cord, using first one cord, then going back through the same beads in the opposite direction with the other cord. All beads will have two cords going through them.
5. Thread one complete horizontal row at a time with both cords and move to the next, working your way down, row by row toward the bottom.
6. To work the arms, use 4 extra green beads, pull together and begin the next body row. When you thread the second cord through, only tread the body beads, not the arm. Do the same for the back legs.

TIP: Taping the beginning down to the table will help keep it even. Makes a great keyring or backpack dangler!
