Craft eXpress®
Fast and fun craft kits!

Your kit contains:

- ❑ Chenille Stems
- ❑ Assorted Beads
- ❑ Ribbons

You Will Need:

- ❑ Scissors

Instructions:

1. Choose 4 chenille stems.

2. Make two sets of stems by folding or twisting the ends together. You now have two very long chenille stems.

3. Lay 2 long chenille stems together and twist to make a candy cane effect. Leave about 2 inches at one end untwisted. This untwisted area will make the front of the crown.

4. Join both ends of the chenille stems together by twisting together 2 inches below the ends. Spread out the 4 ends as spokes on the front of the crown.

5. Slide the beads onto the chenille stems leaving about 1/4 inch at the end exposed. Fold over these ends to anchor the beads in place. Choose ribbons and cut 18 inch lengths.

6. Tie onto the back center of the tiara.Curl the ribbons with scissors.
