Dome Link Bracelet Kit (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:
- Links
- Plastic Findings
- Clear Plastic Domes
- Stickers

YOU WILL NEED:
- Jewelry Glue
- Crayons or Fine Line Markers

AGE GROUP: 8 and up
PROJECT TIME: 30 minutes

INSTRUCTIONS:

Note: Careful—- All of these links and discs are plastic and are breakable.

1. Thread the link onto the flat round silver disc. Then thread another link onto the other side of the same disc. Have all the links and discs facing the same direction. Continue to add links alternating with discs. End with a link on each end of the bracelet.
2. Thread the open circle onto one end and the rod piece onto the other end. To clasp on your wrist, insert the rod end into the circle end.
3. While lying flat, stick a sticker onto each flat disc to create your own design. You can use the pre printed stickers or you can color your own stickers and then apply them.
4. Place a thin line of glue around the edge of the disc and cover each disc on the bracelet with a clear plastic dome. TIP: If you use a toothpick or the point of a pencil dipped into the glue, you can apply a thin line more easily.
5. Allow time to dry.
