**INSTRUCTIONS:**

1. Select one dowel and one disc. If the dowel needs sanding to fit better, try it now. The dowel should fit snugly into the disc.
2. Sand one end of the dowel to fit into the disc.
3. Apply a small amount of glue in the hole in the disc. Press the dowel through the hole until it extends 1/2" out from the underside. Let dry.
4. Paint as desired. Let dry.
