Footprints in the Sand (Pk/24)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Cardboard Foot
- Glitter
- Glue
- Cardboard Strips
- Sand & Shells
- Paper Verses

YOU WILL NEED:

- Scissors
- Brushes (optional)
- Cup or Paper Plate

AGE GROUP: 6 and up
PROJECT TIME: 30 minutes

INSTRUCTIONS:

1. Cut the Footprint verse out right outside the black line border. You can glue the verse directly to the cardboard foot or for extra dimension you can glue the verse to the center of the cardboard strip and then fold under the ends and glue them to the foot so it pops up. See image of finished samples for examples of each. You can also attach the verse to either the white or brown side of the foot.
2. Next select a few shells to glue around the edges of the verse. (See Figure A) Let dry.
3. Mix the White and brown sand together in a cup or paper plate to create a natural color or if desired you can use the colors separately.
4. Use a brush or the tip of the glue bottle to spread the glue onto the cardboard foot around the verse and shells. Sprinkle sand onto the glue and shake off excess.
5. Apply more glue onto the shells and in spots around the verse. Sprinkle glitter on and shake off excess. Let dry.
