INSTRUCTIONS:

Note: Fabric Markers are permanent markers. Avoid getting the color on your skin or clothing

1. Create a design for your monkey. The design may be lightly drawn on with pencil first, or simply colored with the markers.
2. When coloring with the fabric markers, color the areas that are farthest away from your hand first, so that you are not leaning your hand on the pre colored areas. This will just help with keeping your hands clean. Or use a paper towel under your hand to prevent getting ink on your hands.
3. Allow time for the marker ink to dry.
