- Paper Towel

**USTED NECESITARÁ**

- Papel Toalla
- Limpiador de Vidrio

**INSTRUCTIONS:**

1. Clean the top of the disc with glass cleaner and paper towel to remove oily fingerprints, which may cause the marker colors to bead up. Try to handle the disc only underneath or at the edges.

**TIP:** The markers are permanent so be careful of skin and clothes.

2. Decide what kind of design you will make on your disc. You may use one of our ideas or create your own. A circular or spiral design will work best because of the whirling action of the disc when it is tossed.
3. Color the design on the top of the disc.

**INSTRUCCIONES:**

1. Limpie la cumbre del disco con el papel toalla para quitar huellas aceitosas, que pueden hacer que los colores de los marcadores no se adhieran. Trate de manejar el disco sólo debajo o en los bordes.

**CONSEJO:** Los marcadores son permanentes, tenga cuidado con la piel y la ropa.

2. Decídase que tipo de diseño usted hará en su disco. Usted puede usar una de nuestras ideas o crear su propio. Los diseños más apropiados son los que complementan el movimiento rotatorio del disco.
3. Coloree el diseño en la cumbre del disco.
