Color-In Posters (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Preprinted Posters
- Markers

AGE GROUP: 8 and up
PROJECT TIME: 45 minutes

YOU WILL NEED:

- Clean work surface

INSTRUCTIONS:

Choose a poster and color in with the markers.
Work from left to right to avoid smudging.

Helpful Hints:

Marker colors dry quickly and cannot be mixed, however colors can be blended by applying one color over another. Start with a lighter color and add the darker color, letting each dry.

For bright eye catching art work, use light colors for large areas and backgrounds. Try not to use too many dark colors next to each other, as the contrast will be lost and small details will not stand out.

For a clean consistent look, apply colors in one direction and in single strokes. Always keep markers tightly capped when not in use so they will not dry out

If you enjoyed this kit, try GP41X Coloring Designer Panels.
