INSTRUCTIONS:

NOTE: The markers included are permanent markers.

1. Plan your design on paper. Since these are permanent markers, they cannot be erased off the plastic helmet. You could use crayon or colored pencils to color in your paper design work.
2. Lightly draw out the design onto the helmet itself, using a pencil.
3. Color in your design with the permanent markers. Allow to dry.
4. Additional items may be added to your helmet to create a theme. Try adding sequins, buttons, beads, glitter, feathers, pompoms, ribbons or rickrack. Any small items may be glued onto the helmet. Use a jewel glue for best results. Allow the glue to dry thoroughly before using.

Other Ideas:

These little helmets make great party craft activities for birthdays. They are also easy to decorate in a team sports theme and can be sold at games as a fundraiser.
