INSTRUCTIONS:

1. Color your motorcycle in any style. It is easiest to color the areas that are farthest away from your hand, to prevent getting color on your hands.
2. Add detail on the motorcycle after it has dried. Use a fine tip brush or permanent markers (sold separately). Research various styles and colors for motorcycle decoration to add to your design.
3. Allow to dry.
4. Thread the ribbon through the motorcycle to hang as an ornament.

Other Ideas:

- Glue the finished motorcycle onto a wooden box as a gift for Dad.
- Looks great attached to a photo frame.
- Use as a bookmark.
