Paper Owl Kit (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Cardboard Owl Parts
- Wiggly Eyes
- Glue

YOU WILL NEED:

- Paint, Brushes or Markers

AGE GROUP: 7 and up
PROJECT TIME: 30 minutes

INSTRUCTIONS:

1. Punch out the pieces for your owl.
2. Start with the owl body and glue the 3 large shapes together, being careful to match the outsides with each other. The pieces with the feet should be one in back and one in the front. The piece with no feet would be sandwiched between. Glue these together. Before going on, stand your owl up, so that you can make sure the 3 layers are even enough to make the owl stand up by itself.
3. Add the wiggle eyes to the inside of the holes on the face, and place the eye rings on top of the top body piece.
4. Glue the beak onto the face and the 2 wing pieces onto the body.
5. After the glue dries, you should be able to stand your finished owl up.
6. You may paint your owl with acrylic paint or color it with markers. (Both sold separately).
