You Are My Sunshine Kit (Pk/48)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Foam Sun Pieces
- Wiggly Eyes
- Ribbon
- Glue

AGE GROUP: 5 and up
PROJECT TIME: 30 minutes

YOU WILL NEED:

- Scissors
- Clean Work Surface

INSTRUCTIONS:

1. Your kit has been individually bagged for your convenience.
2. Start with the large brown sunshine base. Stick the orange circle onto the center of the large brown base. Do the same for the large yellow circle. It goes on top of the orange circle.
3. There are several triangular ray shapes in tan, orange, and yellow. Stick these around the center circles, leaving only a small space between the orange circle and the shape. Use a random pattern for placement of the rays- use your creativity in the placement. See the photo for one example of the design.
4. Stick the wiggly eyes onto the yellow circle.
5. Cut the black ribbon to a length that will go between the cheeks to make a smile. (About 1 $\frac{3}{4}$ inches long. You'll want enough length so that the ends go under the red circles. Glue on the ribbon mouth.
6. Glue the red circles on top of the ends of the ribbon to make the cheeks.
7. Your sunshine is complete. It may be hung as an ornament, fridge magnet, package decoration, door hanger, or glued onto a notebook cover, or used as a window decoration. The possibilities are endless!
