INSTRUCTIONS:

1. Choose a bracelet and color it. Allow time for the colors to dry.
2. To put the bracelet on your wrist, simply slap the bracelet across your wrist and it will curl around by itself.

MORE IDEAS...

Glue flat gemstones, mosaic pieces, buttons or beads to your finished bracelet.

Paint your bracelet with fabric paints.

For a tie dye look, use an eyedropper with liquid watercolor paint to color sections of the bracelet.

Add glitter glue to the bracelet for a glittery effect.

For a softer look, use colored pencil instead of markers.
