## Custom Activity Cubes (Pk/48)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

### YOUR KIT CONTAINS:

- Chipboard Boxes
- Markers
- Glue

**AGE GROUP: 7 and up**  
**PROJECT TIME: 30 minutes**

### YOU WILL NEED:

- Clean Work Surface
- Pencil

**INSTRUCTIONS:**

1. Fold the box on the score lines to form a box shape. Fold the edge tab to the inside of the box.
2. Determine which side of the box you want to be the top and sides and bottom. Since all sides of the box are the same at this point, the choice is yours. This will be helpful when you go to color the box. You could lightly label the top, etc with a pencil. (optional).
3. Lay the box flat again and color the box. As you color each side, if you want, you can reassemble the box shape periodically to see how you are doing with your design.
4. Put glue on the edge tab and glue in place, holding it for a minute. Allow Glue to dry.
