Sparkle Snowflake Kit (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Chenille Stems
- Small Beads
- Large Bead

EACH PERSON SHOULD HAVE:

- 4 Chenille Stems
- 1 Large Bead
- 24 Small Beads

YOU WILL NEED:

- Scissors
- Ribbon or Cord

AGE GROUP: 6 and up PROJECT TIME: 30 minutes

INSTRUCTIONS:

- 1. Hold 4 chenille stems so the ends are even. Slide these 4 chenille stems into the large bead to the half way point. Bend one from the top area and one from the bottom area of the bead, around each other tightly, and make a twist in these 2 stems. Repeat for the other 3 ends, one set at a time.
- 2. Thread on 3 beads toward the center. Bend the chenille stem in half and thread the first bead through both stems, to about ½ inch from the outer end. Leave the outer end as a loop. Thread the second bead only about ¼ inch onto both stems and then spread the 2 stems apart between beads 1 and 2. Tie a piece of ribbon or cord to the top and hang your snowflake!

TIPS:

- Once completed, use a pencil to open up the spaces between the chenille stems.
- Since no two snowflakes are ever alike, you can make a different style to your snowflake.
- Thread the beads and bend the stems in any pattern. Stems may be cut to any length.
