**EACH PERSON SHOULD HAVE:**

- 1 Safari Hat
- 10-15 Assorted Bug and Butterfly Foam Stickers
- The textile markers will be shared among the group.

**INSTRUCTIONS:**

**NOTE:** Textile markers are permanent on fabric and foam. Be careful when using them.

1. Create a design on the hat using the textile makers. We recommend starting at the top of the hat and working down to the brim. Use one color at a time and let the marker dry before changing colors to avoid unwanted smudging.
2. Peel off the paper back and stick the foam bugs/butterflies to your hat. Highlight areas of your hat with glitter glue for extra sparkle if you wish. Let dry.

**IDEAS:** Using the textile marker:

- Have kids write their name or camp name on their hat
- Create designs using shapes –circles, squares, triangles
- Create designs with flowers, polka dots, stripes and other patterns
