Mini Owl Craft Kit (Pk/24)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

For your convenience, each project is individually packed.

YOUR KIT CONTAINS:

- 1 Sticky Back Foam Circle
- 1 Sticky Back Foam Heart
- 1 Sticky Back Foam Beak
- 2 Sticky Back Wiggle Eyes
- 1 Scratch Art Circle
- 2 Felt Wings
- Silver Cord
- 1 Wooden Scratch tool

YOU WILL NEED:

- Scissors

AGE GROUP: 6 and up

PROJECT TIME: 20 minutes

INSTRUCTIONS:

1. Loop the silver cord through the hole in the large foam circle and tie a knot (keep the paper backing on for now). Set aside. Cut off any long/frayed ends on the cord. This loop is so you can hang your owl when it's finished.
2. Use the wooden dowel and scratch a design onto your scratch art circle. Carefully brush off any excess black dust.
3. Remove the paper backing from the large foam circle with the cord loop at the top center. Take your scratch art circle and line up the bottom edge with the exposed sticky foam edge of the large foam circle. The side and top edges of the sticky foam should still be showing. Press the 2 pieces together.
4. One at a time, stick the felt wings to either side of your scratch art circle with the small points close to the hanging loop. See finished photo for reference.
5. Remove the paper backing from the foam heart and stick to the top center of your owl's body, covering up the small pointed tips of the felt wings, any exposed sticky foam still showing on the large circle and the hole punch with the cord loop. See finished photo for reference.
6. Remove paper back on both wiggly eyes and stick to the foam heart.
7. Peel and stick the black triangle/beak in place and your new Mini Owl friend is done!
