- Tablecloth

**YOU WILL NEED:**

- Scissors
- Clear Tape

**EACH PERSON SHOULD HAVE:**

- 6 Orange Sticky Back Foam Pumpkins
- 1 Sheet of Black Sticky Back Foam
- 3 Black Sticky Back Glitter Foam "BOO" words
- 1 Piece of Yarn 28" long
- 6 Glow-in-the-Dark Pony Beads

**AGE GROUP: 6 and up**  
**PROJECT TIME: 30 minutes**

**EACH PERSON SHOULD HAVE:**

- 6 Orange Sticky Back Foam Pumpkins
- 1 Sheet of Black Sticky Back Foam
- 3 Black Sticky Back Glitter Foam "BOO" words
- 1 Piece of Yarn 28 " long
- 6 Glow-in-the-Dark Pony Beads

**INSTRUCTIONS:**

1. Lay out yarn on a flat work surface.
2. Make a loop knot at the top end. See finished project photo for reference.  
**TIP:** Once knotted, use a piece of clear tape to tape down the yarn, putting the tape over the loop.
3. String the 6 pony beads onto the yarn from the bottom end.  
**TIP:** Wrap a piece of the clear tape tightly around the bottom end of the yarn (like the point of a needle). This makes it easier to thread the pony beads on the yarn.
4. Slide 3 orange pumpkins under the yarn, orange side down. Space them evenly out on the string of yarn: One pumpkin towards the top, one in middle and one towards the end of yarn.
5. Space out the pony beads so there are 2 on top of each pumpkin on the yarn.
6. Carefully slide the top pumpkin out from under the yarn, peel off the paper and lift the yarn up and slide back into place, sticky side up. Press the yarn into the sticky foam in a straight line, top to bottom.
7. Repeat Step 6 with other 2 pumpkins.

8. Take the other 3 orange pumpkins and peel off the paper one at a time. Match 1 to the top pumpkin, 1 to the middle pumpkin and 1 to the bottom pumpkin, sticky side of foam to sticky side of foam. The yarn should be sandwiched between 2 pumpkin pieces. Now you have 6 orange pumpkin sides to decorate.

**TIP:** The pony beads can sit right on top of each pumpkin or you can knot the yarn to position them where you would like above each pumpkin.

9. Using the sticky back black foam sheet and scissors cut out shapes for the 3 pumpkin faces however you would like. Peel off the paper and stick on to whichever 3 pumpkin sides you'd like.

**TIP:** Use the extra punched out pieces from the words "BOO" to use as eyes or other shapes for faces.

10. Peel off the paper and stick the word "BOO" on the 3 remaining pumpkin sides.
11. Hang your Jack-O-Lantern Garland in a place that gets lots of light during the day so the beads will glow when it is dark.
