GP3059

EACH PERSON SHOULD HAVE:

- A Vase
- NOTE:** The inside of the vases have been glazed so they hold water.
- A Paint Brush
- A Paper Plate (optional)
- The paint and markers will be shared among the group

INSTRUCTIONS:

NOTE: You can make this for yourself or as a gift for someone special to you.

1. Plan a design for your vase. You can paint the entire vase 1 color or use the different colors to make patterns or decorations. Let dry. Use the paper plate to mix the paints and create new colors!

TIP: Add a couple drops of water to the paint to make it flow better.

2. Add details with paint to your vase. Let dry.

TIP: To speed up the drying time, have an adult blow dry the vases with a hair dryer.

3. Add details to the vase with the permanent markers. You can outline some of the painted details with marker or create new decorations with marker.

NOTE: You can write your initials with the year on the bottom of the vase if you want.

4. Your vase is ready to use!
