GP3044

EACH PERSON SHOULD HAVE:

- 1 Stone
- 2 Wiggly Eyes
- 1 Brush
- The glue and paint will be shared among the group

Decide what you want your silly stone to look like (maybe a funny imaginary creature or an animal). Use your imagination!

INSTRUCTIONS:

1. Paint your silly stone as planned. It helps to use one color of paint at a time. Allow each color to dry and rinse your brush in between colors.

TIP: Have an adult use a hair dryer to dry the paint if you're under a time crunch.

2. Once your stone is painted and dry, glue the 2 wiggly eyes in place. Let dry and you're done! Note: If you want to put your stone outside, we recommend using a waterproof acrylic sealer like Outdoor Mod Podge Item # PT3461.

S&S Worldwide would love to see what you created! Please share on our Facebook or Pinterest page!

MORE IDEAS:

1. Makes a fun decoration in any space. You can bring your new silly stone friend just about anywhere!
2. Group all the stones together to create a silly stones "rock" band or party!
3. Makes a great gift you can personalize for someone special! Perhaps give as a good luck gift to a friend!
