EACH PERSON SHOULD HAVE:

- 1 “Dream Big” Charm
- 33 Assorted Faceted Beads
- 33 Black Faceted Beads
- 2 Pieces of silver cord each 10” long

PREPERATION INSTRUCTIONS:

Pre-cut the silver cord so that each person will have two 10” pieces.

INSTRUCTIONS:

1. Sort your beads on a paper plate.
2. One at a time, carefully knot the 2 pieces of the silver cord to one side of your Dream Big charm with a strong double knot through one hole. Gently pull the knots to the back side of the charm.

TIP: Secure each knot with a dab of glue for extra anti-slip protection.

3. String your beads on the first piece of cord, alternating between the assorted colors and the black in the pattern you wish. Periodically stop and measure the string of beads around your wrist until you reach the proper length, being careful not to let any beads slip off your cord. Each cord should use approximately 33 beads.
4. Using the excess cord, tie off a strong double knot to the opposite side of your charm. Dab a small amount of glue to the knot for security and let dry.
5. Repeat steps 3-4 with the other piece of silver cord and your bracelet is done!
