- Assorted felt zebra pieces
- Assorted decorative felt pieces
- Yarn
- Sewing Needle
- Tablecloth

YOU WILL NEED...

- Scissors

PREP TIME: 5 min

PROJECT TIME: 30 min

S&S Worldwide

INSTRUCTIONS

Project Instructions:

1. Lay the felt pieces on your clean covered work area and identify the two largest pieces. These are the puppet pieces.
2. Carefully thread the yarn through the sewing needle. Place both puppet patterns together and align the pre-punched holes. Starting at the base of the puppet (where a hand would be inserted), locate the first hole on each piece. Beginning on the inside of the puppet, at that first hole, thread the yarn from the inside out. Tie a knot at the end of the yard so it does not come all the way through the felt.
3. With the patterns together, thread the yard through both pieces from back to front.
4. Continue to thread back to front through the pre-punched holes until you have completely laced the entire puppet.
5. Tie a knot at the end of you yarn to secure the lacing in place. Cut the yarn approx. 1/4 inch away from the knot.
6. Using the decorative felt pieces, choose your design.
7. Spread glue over each felt piece and press firmly in place. Continue until you have reached desired design.
8. Allow to dry completely before using or displaying your Felt Zebra Puppet.

GREAT WORK!
