Fuzzy Bobblehead Frog (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Fuzzy Frog
- Acrylic Paint
- Paint Brushes

YOU WILL NEED:

- Containers for Water
- Paper Towels

AGE GROUP: 6 and up

PROJECT TIME: 30 minutes

INSTRUCTIONS:

1. Plan out how you want to decorate your frog and select your paint colors.
2. Use water to thin out the paint, a few drops at a time. This will help give better paint coverage as the frog is very absorbent.
3. Start by painting a base coat, keeping the frog and base and head separate for now.
4. Continue painting with additional colors for detail.
TIP: Mix colors to create desired tints and shades.
5. Allow to dry completely.
6. Slide the hook on the neck into the loop on the body, so that the head bobbles. You're done! Great job!

**Fun!
Facts! Amazing Animals**

- Giraffes have blue tongues that average about 20 inches long!
- Lions sleep for about 20 hours a day. It's good to be king of the jungle!
- Despite what you see on holiday TV shows, there aren't any penguins at the North Pole. All penguins live in the Southern Hemisphere.
