Teddy Bear Purse (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Teddy Bear Purse
- Base Strip
- Keychain
- Needle and Cords
- Wiggly Eyes

AGE GROUP: 8 and up
PREP TIME: 5 minutes
PROJECT TIME: 45 minutes

YOU WILL NEED:

- Clean Flat Work Area
- Glue
- Scissors

INSTRUCTIONS:

1. Lay your project pieces on a clean flat work area.
2. Attach the front and back of the purse together using the existing zipper.
3. Thread your needle and tie a large knot in the end of the cord.
4. Starting at the inside of one end of the connecting strip, thread the needle through, stopping when the knot is secure against the leather piece. Now thread the needle through the outside of the matching hole on the purse. (Your needle will now be inside). See figure A.
5. Continue this sewing pattern, attaching one side of the strip to the purse.

TIP: Pull the thread firmly and evenly, as this becomes part of your decoration.

6. Once you've reached the opposite end,
7. Knot off the end and cut. Start a new cord with another knot. Continue threading back on the opposite side of the strip. This will connect the two purse pieces together.

TIP: Open the zipper of the purse to allow more room to work.

8. Tie off the cord on the inside of the purse once the threading is complete and cut off excess. A dot of glue on the knots will help strengthen them.
9. Attach the wiggly eyes using glue. Allow to dry.
