Snap and Carry Totes (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Fabric Snap and Carry Totes
- Fabric Markers
- Tablecloth

AGE GROUP: 8 and up
PREP TIME: 5 minutes
PROJECT TIME: 30 minutes

YOU WILL NEED:

- Pencil and Eraser
- Ruler

INSTRUCTIONS:

1. Lay the Snap and Carry Totes on a clean covered work area.

TIP: Print clipart or words with varying fonts to use as a template when decorating your fabric.

2. Use a pencil to lightly outline your design on the fabric, erasing as needed. Have a ruler handy to keep wording straight, or to center your design in the desired area.

TIP: Place your printed clipart or words beneath the first fabric layer. This allows the image to be traced on the decorated surface.

3. Using the fabric markers, create and color your design, starting at the top of your Tote and working your way down. This will prevent smudging your design with your hands or arms before it has had time to dry.

TIP: When coloring on thin fabric, place a piece of wax paper or foil beneath the first layer to prevent bleeding onto any other layers.

4. Allow time to dry completely before using or folding your completed Totes.

TIP: Use other craft items such as pom poms, beads or sequins and glue to enhance your design.
