INSTRUCTIONS:

Using 18" length for a necklace or a 10" length for a bracelet, add assorted beads for the styles you desire. Knot both ends together with a square knot or a slip knot.

You're ready to wear your new jewelry!

YMCA Character Development Colors:

Red = Caring

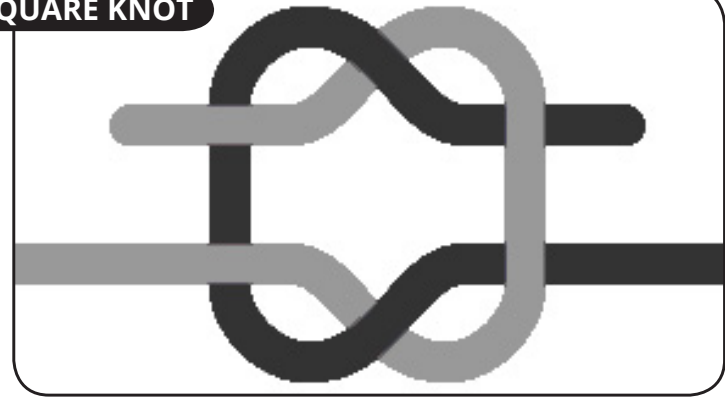

Yellow = Respect

Blue = Honesty

Green = Responsibility

This kit also makes a great fund raiser for the YMCA, since everyone will want one of these symbolic necklaces or bracelets.

Additional styles can be made by using various color combinations of the beads. There are approximately 700 beads of each color in your kit. They can be divided in any manner you like — make all bracelets or make all necklaces, or make a combination.

SQUARE KNOT**How to Make a Square Knot:**

Place the right end over the left end and put the right end under and through the loop.

Take the left end over the right end and put that left end through the loop.

Pull both ends tight at the same time.
