Unity Sticks (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Bamboo sticks
- Colored Tape
- Black cord
- Pony beads

AGE GROUP: 7 and up
PREP TIME: 5 minutes
PROJECT TIME: 30 minutes

YOU WILL NEED:

- Scissors

INSTRUCTIONS:

Unity Sticks colors, red, yellow, green, black and white. Green represents the earth. The other colors represent the cultures of the world.

1. Cut the cord into 12 inch pieces.
Take one cord and double it in half. Place the fold on the top side area of one stick and tape it on with the first color of tape. Other colors of the tape are added to the stick in any order you wish.
2. For the second color, hold the black cord out of your way and tape around the stick. Continue with the other colors. You may add as many strips of color as you wish.
3. String about 8 pony beads onto each cord and make a large knot or several knots in one place on the end of the cord to hold the beads on the cord. Any excess cord may be cut off.
4. Your unity sticks are ready. Clack them together and use them as noise makers in the band. Make your own music!
