RULES OF THE GAME

1. The game can be played by 1-4 players. The bean bags are color coded to determine teams. (3 light colored / 3 dark colored)
2. A coin toss is used to determine which player or team goes first.
3. The target is placed 15 feet away-or to an agreed upon distance by both players or teams. A throwing line is established, agreeable by both players or teams.
4. The game begins by each player taking turns throwing their bean bags at the target. The player with the most points after all bean bags are thrown wins the frame.
5. A frame is completed after all the bean bags are thrown by both players or teams at the throwing target.
6. Points are scored ONLY when the bean bag is completely inside the pocket. Bean bags on the edge of a target are not counted as a score. If an opponents bean bags is knocked into a pocket, the opponent receives the points. Points are only scored when your color bean bags enters a pocket.

ALTERNATE PLAYING RULES

Play with the same rules as above, except carry the points over from frame to frame. For example, in the 1st frame you score 3 points and your opponent scores 2 points. In the second frame you score 2 more points for a total 5 points, and your opponent scores 3 more points for a total of 5 points. The score going into the 3rd frame is 5 to 5. The team with the highest score after 10 frames wins.

A WORD OF CAUTION: Never toss the Bean Bag when any person or animal is in or near the vicinity of the Target. ALWAYS toss Bean Bags at an unoccupied Target.
