Flag Fuse Bead Key Chain (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Fuse Beads
- Plastic Bases
- Ironing Paper
- Key Chains

AGE GROUP: 8 and up
PROJECT TIME: 30 minutes

YOU WILL NEED:

- Iron

INSTRUCTIONS:

NOTE: The ironing should be done by an adult.

1. Place the beads on the base, following the photo in order to create the flag design. Leave one bead off the board, not at the edge. This will create a hole in the design in order to insert the keychain later.
2. An adult should pre heat an iron to the medium setting, no steam. Cover the beads with the ironing paper and iron gently with a circular motion for about 15 seconds. This will fuse the beads evenly.
3. Allow the piece to cool completely.
4. Peel off the ironing paper and lift your flag off of the base. Flip the flag over and cover with the ironing paper again and repeat the ironing on the bottom side of the flag.
5. Allow the piece to cool completely again.
6. Insert the keychain into the hole left in the design and your keyring is finished.
