Flexible Wooden Fish Craft Kit (Pk/12)

MORE IDEAS...

String the fish together on a line to represent a "big catch."

Great idea -- Glue the finished fish to a wooden picture frame -- an ideal gift for any fisherman!

Flexible Wooden Fish Craft Kit (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:

- Flexible Wooden Fish
- Paints
- Brushes
- Sand Paper
- Table Cover

AGE GROUP: 8 and up
PROJECT TIME: 45 minutes

YOU WILL NEED:

- Paper Towels
- Container for Water

INSTRUCTIONS:

1. Sand any rough edges from the surface of the wood fish.
Wipe with a damp paper towel to remove any wood dust.
2. Paint your fish in any style. Try using multiple colors for a “rainbow” effect.

TIP: Add small amounts of water, a few drops at a time to your paint. This will help it flow better.

3. Allow to dry.

TIP: Add a glitter glaze as a top coat for extra bling!

Your painted fish may be used as decoration for many other crafts. Try having it be a part of a collage or glue onto a wood box as decoration. Or try using your completed fish as a paperweight.
