## GIRAFFE INSTRUCTIONS:

1. Take out all pieces of kit and lay out on your work area. Cut shapes on white dotted line (Clouds, stars, hair, eyes, trees, grass, zebra, lion, top antlers, and ears).
2. On the hair, cut on dotted line only partially. Match on the back number to number, for example: hair #3 to playing board #3. Attach with twin adhesive stickers. Roll the strips of paper with a pencil or pen. Attach hair to the board. Attach grass same style, cut, cut partial and fold and attach with twin adhesive.
3. Attach wiggly eyes to zebra and lion and attach somewhere on your board. Attach eyes, hair, antlers, ears with twin adhesive in correct spot. Attach clouds, stars and trees at your choice on the board.
4. Finally, decorate your board with the laser stickers. To make sure you have enough twin adhesive, the back of each piece shows how many "dots" you will need. Your Giraffe is now ready for the jungle adventure!

## ZEBRA INSTRUCTIONS:

**NOTE:** Small circles on the board are the places to attach the adhesive dots.

1. Take out all pieces of kit and layout on your work area.
2. Cut, with the scissors included, on white dotted line (Clouds, stars, top hair, side hair, nose, eyes, trees and grass).
3. For the hair, cut on pink dotted line only partially. Match on the back number to number for example: side hair #3 to playing board #3. Attach with twin adhesive stickers. Roll the strip around a pencil or pen to make it curl. You will want the curls to be of various tightness, so that it looks more like hair or grass. Attach top and side hair and roll.

Attach grass in the same manner, cutting partially, then fold and attach with twin adhesive.

4. Attach wiggly eyes to giraffe and lion and attach the animal to the board. Attach eyes, nose, and ears with twin adhesive in correct spot. Attach clouds, stars, and trees at your choice on the board.
5. Finally, with laser stickers decorate. In order to make sure you have enough twin adhesive, the back of each piece shows how many "dots" you will need. Your Zebra is now ready for the jungle adventure!

## LION INSTRUCTIONS:

1. Take out all pieces of kit and lay out on your work area. Cut on white dotted line. (Clouds, stars, hair, eyes, trees, grass, zebra, giraffe, nose, and ears).
2. On the hair, cut on dotted line only partially. Match on the back, number to number, for example: hair #3 to playing board #3. Attach with twin adhesive stickers. Roll with a pencil or pen. Attach hair and roll. Attach grass same style, cut partial and fold and attach with twin adhesive.
3. Attach wiggly eyes to zebra, and giraffe and attach somewhere on your board. Attach eyes, hair, antlers, ears with twin adhesive in correct spot. Attach clouds, stars, and trees on the board.
4. Finally, decorate with the laser stickers. To make sure you have enough twin adhesive the back of each piece shows how many "dots" you will need. Your Lion is now ready for the jungle adventure!
