## INSTRUCTIONS:

1. Decide how you want to decorate your crocodile. It could be realistic or it could be far out funky.

**TIP:** You may want to smooth down any rough spots with sandpaper and wipe off any dust before you start to apply paint.

**TIP:** Add small amounts of water to your paint, a few drops at a time using your brush. This will help your paint low much easier.

2. Paint your crocodile as planned.
3. Allow to dry and your crocodile is ready for a swamp adventure!

### Fun! Facts!

#### Unplug and Play

- Kids ages 8-18 spend an average of 7 hours and 38 minutes in a typical day using entertainment media, according to the Kaiser Family Foundation. That's more than 53 hours a week!
- In an average week, only 6 percent of children ages 9-13 play outside on their own, according to the Children & Nature Network.
- Think about some ways you can be "unplugged." Take a walk and explore, make nature "prints," play games or listen for birds!
