INSTRUCTIONS:

1. Give each person a banner and 2 banner ties to decorate.
You may wish to sketch our your design with pencil first before coloring it.

2. Color in your design as planned.

TIP: When using fabric markers, it is best to color the portions farthest away from your hand first. Then you won't get marker color on your hands or arm. Fabric markers are permanent markers.

3. Allow time for the marker to dry.

4. Thread the ties into the holes on the banner, to about half way, and make a single knot to hold them in place. These ties may be decorated also.

5. To add highlights to your design, apply thin lines or dots of glue and shake glitter onto the glue. A toothpick is helpful in applying the glue. Allow time to dry.

TIP: Your finished banner may be hung up, or several may be strung together to hang up.
