INSTRUCTIONS:

Give each child one background sheet plus one sheet of shapes.

Punch the shapes out of the sheet and arrange them in a pond scene. Each person could think of a story about life in the pond with the figures included, and then later each person relates the story of their scene to the group.

When the figures are in place, glue them down.

TIP: Each figure or the background may be decorated with crayons, to show more detail, or left as it is.

Allow time for the glue to dry.
