**INSTRUCTIONS:**

1. Select a bug design. Using a pen or pencil fill in the blank spaces at the bottom of the design with your color choices for your design.
2. Beginning with the first color, peel the protective backing from one square and stick it down in the first space with a 1 in it. Repeat for all squares marked 1. Repeat for all the colors.
3. If you encounter a square with two numbers in it, cut two squares in half diagonally and adhere the triangles in place.
4. If desired, trim around the bug design when it is finished.

***MORE IDEAS...***

Use leftover foam squares to decorate frames boxes and more.
